REPORTS.

REPORT OF COMMITTEE ON EDUCATION.

The Committee on Education respectfully submit the following report:

There are three institutions of learning under the patronage of this Conference. They have, during the past year, received an encouraging support, and there is hope of increased patronage during the coming year; yet they are embarrassed by lack of means to carry out their plans for enlarged usefulness. They plead for help. They call upon those whom the bounties of God have made rich, to put within their power increased possibilities for building up the Church, and elevating the community.

The strength of the divine character is *Wisdom*, and the foundations of the Church should be laid upon the solid basis of Christian education. The committee would earnestly appeal to every member of this Conference to put forth strenuous efforts to collect the full assessment for education. Every dollar is needed, and will become bread upon the waters to the Church.

I. Wofford College.

This college has entered upon its twenty-eighth collegiate year. It is at present more prosperous than at any period since the war. One hundred and twenty-two students have been enrolled—the average age being above eighteen. The health of the students has been good.

The late changes in the plan of studies are working out beneficial results.

The Financial Agent reports the institution in pressing need of funds. He fears the amount raised by the Conference this year will be several hundred dollars less than the amount raised last year.

The following paper was submitted by the Faculty to the Board of Trustees, and was adopted:

"Whereas, our venerable friend and colleague, David Duncan, who from the foundation of the college has been one of its professors, has, at the unusual age of ninety years, after serving God and his generation in his day, fallen asleep in Jesus, the Faculty desire to express their deep emotion at the event by which the college has lost its oldest officer, and one of its truest and warmest friends, and his surviving colleagues bereaved of one endeared to them by his many Christian virtues, as well as by his noble traits of character.

"While they deeply feel the loss of one so highly valued and cherished, and will ever remember gratefully his kindness, his patience, his gentleness, and generosity, they acknowledge the goodness of God in sparing to them so long a life which was at once an example and an incentive in the cause of Christian education.

"It will ever be to them a pleasing recollection that they were so intimately associated with him in the relations of neighbor and friend, and permitted to learn from one so capable to instruct the lessons of his long experience and treasured wisdom. They desire also to express their gratitude to God that the departure of his aged servant was so calm, serene, and painless; that his mind was clear to the last, and his dying hours made so peaceful by the presence of the Lord.

"The large and valuable contribution which he made to the library of the

college will be his memorial to those who shall come after us, while his portrait, which adorns the college-walls, shall make his features known to the coming generations of students who never saw his face, but who shall learn from the traditions of the college to revere his name.

"The Faculty, therefore, transmit this expression of their affection for the deceased, and their sympathy for his family, to his bereaved children, and also to the Trustees of the college, with the request that it be entered as a permanent record on the journals of the Board of Trustees."

Prof. F. C. Woodward was elected a professor in the college, and has taken a favorable place in the Faculty.

II. Columbia Female College.

This institution opened in September last with almost an entire change of officers and teachers. The Rev. O. A. Darby, D.D., of this Conference, was elected President. The college was reörganized on a plan of advanced scholarship.

The patronage was encouraging during the last session. There were fifty-nine boarding pupils, and fifty-seven day-scholars.

The outlook of the college is gratifying, and the President reports that if the Conference will extend to it a hearty sympathy, there is no reason why it should not be self-supporting, and contribute to the liquidation of its heavy indebtedness.

The building has been repaired and refurnished. The health of the scholars has been excellent; and every measure will be adopted to make the institution worthy the confidence of the Conference.

III. Cokesbury Conference School.

This time-honored institution is slowly progressing. The Trustees are anxious to see it advance more rapidly in growth and fruitfulness. They are of opinion that if its means were enlarged it would become a more prolific feeder of Wofford College.

Forty-three names were enrolled during the last session. Special attention was given to the moral and religious training of the scholars. The deportment and application of the boys and young men have shown encouraging results.

The institution has a small invested fund, the interest of which is appropriated to beneficiaries.

The buildings are in good repair.

Prof. J. P. Pritchard has been elected Rector for the ensuing year. The committee heartily commend this school to the patronage of the Church.

The amount raised the past year for educational purposes was $2,287.

The committee respectfully recommend the adoption of the following resolutions:

Resolved, That $3,000 be assessed for education during the coming year, and that it be appropriated to Wofford College.

Resolved, That the Rev. O. A. Darby, D.D., be appointed to preach the next annual sermon before the under-graduates of the Conference.

The committee respectfully request the presiding bishop to make the following appointments: W. Smith and W. W. Duncan, Professors at Wofford College; O. A. Darby, President of Columbia Female College; A. M. Shipp, Professor at Vanderbilt University; S. Lander, President of Williamston Female College.

J. T. Wightman, *Chairman.*

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

The Committee on Books and Periodicals report improvement in the various publishing interests of the Church.

The Publishing House, at Nashville, for the year ending June 1, 1881, did a business of $178,748, with a net profit of $27,334; which, with $3,841 from donations, old accounts collected, and from rents, has decreased the indebtedness of the House $31,175. This indicates the ultimate success of the plan adopted by the Book Committee for its relief.

The present liabilities of the House aggregate $240,000, the indebtedness having been reduced in three years $104,544. With wise management and the patronage of the Church this sum may be discharged by the profits of the business in less than seven years from the present date.

As loyal Methodists, we should patronize our own Publishing House in preference to all others. The life of Southern Methodism depends upon her sound literature no less than upon the vitality of her ministry.

We heartily approve the management of the Publishing House under the agency of the Rev. Dr. J. B. McFerrin, and business management of Mr. L. D. Palmer. The Church is largely indebted to these gentlemen for the present hopeful condition of our publishing interests at Nashville.

The circulation of the *Southern Christian Advocate* is increasing. The editorial department exhibits talent, industry, and good taste, highly creditable to its worthy editor, the Rev. S. A. Weber. The contributions, paid and voluntary, are generally able and prudent. The mechanical execution of the paper is all we could desire.

Considering the price of other similar publications, your committee would, if within their province, recommend a reduction in the price of the *Southern Christian Advocate.* And we do, in view of the approaching expiration of the existing contract with Messrs. Walker, Evans & Cogswell, recommend the appointment of a committee of five, to be invested by the Conference with full powers to contract for the publication of the paper for the four years next ensuing after Aug. 1, 1882, the time when the present contract expires.

The Nashville *Christian Advocate*, the *Quarterly Review*, and all our Sunday-school publications at Nashville, are well printed, and edited with ability. It is clearly the duty of every pastor in the Methodist Episcopal Church, South, to see to it that our own Sunday-school literature is not supplanted in any of our schools by any other.

The *Southern Christian Advocate* should be placed in every family in South Carolina.

Your committee recommend for adoption the following resolutions:

Resolved, That we heartily approve the management of the Publishing House, in Nashville, and that we congratulate the Rev. Dr. J. B. McFerrin, Mr. L. D. Palmer, and the Book Committee, upon their success in advancing it to its present solvent condition.

Resolved, That we will increase our efforts to circulate the literature of the Church.

Resolved, That we recognize the fidelity with which Messrs. Walker, Evans & Cogswell have executed their contract for the publication of the *Southern Christian Advocate.*

Resolved, That a committee, consisting of the Rev. Manning Brown, the Rev. R. P. Franks, the Rev. L. Wood, with Messrs. W. K. Blake and J. A. Elkins, be appointed to contract for the publication of the *Southern Christian Advocate* for the four years next ensuing after Aug. 1, 1882, and that they be instructed to advertise the same upon the basis, if practicable with reliable publishers, of reducing the subscription-price to $2 per annum.

Resolved, That the royalty due from the publishers of the paper be turned over to the editor to be used in securing contributions.

Resolved, That we will bring the *Advocate of Missions* and the *Woman's Missionary Advocate* before our people, and secure subscribers wherever practicable.

REPORT OF COMMITTEE ON THE BIBLE CAUSE.

In presenting our Annual Report to the Conference on this hackneyed but most important subject, your committee would take occasion to say that we, as a Conference, are as much as ever convinced of the value of the Holy Scriptures as the source of all spiritual light, and the only foundation of all true civilization. We believe the Bible to be the only infallible authority in all matters of faith and practice, and the highest safeguard of all private and public virtue: therefore,

Resolved, That in our judgment the American Bible Society affords the best means for the general distribution of the word of God amongst the people.

Resolved, That we will cordially welcome and heartily coöperate with the authorized agents of the American Bible Society in their godly work.

Resolved, That each pastor shall correctly report, at the next session of this body, the amount collected on his charge for the Bible Cause, and that the same be published in the Minutes.

Resolved, That this Conference would express its grateful appreciation of the generous and successful efforts of the American Bible Society to supply the destitute throughout the State with the word of God by an efficient system of colportage, conducted at its own expense, and under the supervision of the District Superintendent.

S. LEARD,
W. MARTIN.

REPORT OF COMMITTEE ON SUNDAY-SCHOOLS.

So much has been said and written on the subject of Sunday-schools, that to bring the matter before this body in a new light would be beyond the power of your committee.

The subject is one of the very first importance. Around the children gather the promise and hope of the future. Around the children of the Church especially interests cluster that involve the life and the progress of the cause of God. The Church must awake to a clearer appreciation of the great work among the children to which God has called her. Not to realize the vital importance of this work would argue a criminal indifference to a prime factor in the Church's life and growth. The population of the world is increasing with wonderful rapidity, and this weighty mass of rational beings must be taken by the Church in its plastic stage in order to mold and utilize it for the salvation of the world, else it may soon be beyond the reach of the agencies and influences of Christianity. The Church must become in love with the cause, and work with ever-increasing earnestness in it.

If it be true that the spirit of Christianity is an aggressive spirit, and that without this spirit of the Master, who "went about doing good," the life of the Church would die out, the conclusion is inevitable that the Church that overlooks the Sunday-school is already preparing for its burial, so far as any vital union with Christ is concerned. And it is safe to add that any minister of the gospel, or professing Christian, who refuses sympathy and active help to this department of the Church of Christ, must be sadly lacking in a sense of his responsibility to God and to humanity.

Your committee unite in recommending for adoption the following resolution:

Resolved, That this Conference heartily indorse, and will continue to give its undivided support to the Sunday-school Secretary in his efforts to place our Sunday-school periodicals in every school in the Connection.

REPORT OF COMMITTEE ON TEMPERANCE.

Your committee deem it unnecessary to speak of the evils of intemperance as they are seen blighting noble manhood, invading happy homes, and corrupting the integrity of many in high places of trust. They would nevertheless express the conviction that our pastors should labor to impress upon candidates for Church-membership the duty of avoiding the use of spirituous liquors as enjoined in our Book of Discipline. And farther, they would urge that the time has come for the Church to give no uncertain expression of sympathy with the efforts that are being made to secure a local option law, or total prohibitory legislation. Above all would we give a hearty God-speed to the efforts of our noble women in this great work of moral reformation.

Your committee would recommend the adoption of the following resolutions:

1. That we, as a Conference, congratulate the Legislature of South Carolina upon what it has already done in the direction of prohibitory legislation, accepting it as an earnest of a more stringent law in the near future.

2. That we, as a Conference, and as individuals, pledge ourselves to use all proper efforts to create a public sentiment in favor of prohibition.

3. That we heartily indorse the plan of the Woman's Christian Temperance Union, to petition the International Sunday-school Committee to provide a lesson on Temperance once a quarter. Also their purpose to organize "Bands of Hope" (juvenile temperance organizations) in connection with the Sunday-schools.

REPORT OF BOARD OF MISSIONS.

The Board of Missions of the South Carolina Conference, during the past year, granted aid to twenty-three weak circuits and to seven missions.

The following are the reports from the missions under our charge:

Charleston District.—St. Stephen's Mission was served by D. W. Seale, who reported 4 preaching-places, 107 members (a small increase), 1 Sunday-school, 3 officers and teachers, and 9 scholars. Congregations good; prospects brightening. St. Paul's Mission was supplied by George Lee, who reported 26 white members.

Orangeburg District.—Edisto Mission was supplied by E. A. Price, who reported 98 members and 2 Sunday-schools. Amount raised for Domestic Missions, $12; for Foreign Missions, $2 90.

Florence District.—Scranton Mission was served by T. E. James, who reported 59 white members, 2 white local preachers, 1 infant and 19 adults baptized, 2 Sunday-schools, 6 officers and teachers, 60 scholars, 40 volumes in library. Raised for pastor, $31 80; for presiding elder, $3 55; for missions, $5; for Sunday-schools, $2; for repairs, $1 75.

Columbia District.—Columbia City Mission was served by L. M. Little, who reports 35 members, 1 Sunday-school, 4 officers and teachers, 40 scholars, 175 volumes in library. This mission is in the south-western portion of the city, where the poor are numerous, and vice abounds. A house of worship is greatly needed here, for the erection of which there is on subscription and in cash $450.

Spartanburg District.—Spartanburg City Mission was served by James F. Smith, who reports a new church unfinished, with a debt upon it of about $200.

He reports 128 members, 90 Sunday-school scholars, $30 raised for pastor, and $7 50 for Conference Collection.

Greenville District.—Greenville City Mission was served for half the year by L. Wood. It was reported a failure, and was discontinued.

During the year there was raised for Domestic Missions $5,269 50.

Our foreign missionary operations have been enlarged. The South Carolina Conference has selected the Rev. James W. Koger, now in Brazil, as our Conference foreign missionary, and has raised during the current year for his support $1,500.

The General Board of Missions has enlarged its plans more than ever before. We have increased our number of laborers in foreign fields. Larger demands are being made upon the liberality of our people, and their responses are more generous. During the year just closing there has been raised within our bounds $3,507 50 for our missionary treasury at Nashville.

The assessment upon this Conference for the ensuing year is $7,300. It is hoped that the contributions for this object will exceed this amount.

We note with gratitude to God the continued and increasing success of the Woman's Missionary Society. From the last published reports we find that the Society, within the bounds of this Conference, leads all others in the Southern Methodist Church, both as to the number of members and the amount contributed.

We close the year greatly encouraged by the ever-augmenting zeal and increasing liberality of the Church, and face the future with the high resolve to consecrate ourselves and our all more fully to the Master's use.

At a meeting of the Conference Board of Missions, held in December, 1880, the following action was taken:

"*Resolved*, That this Board recommend to the South Carolina Conference to take steps toward supporting a South Carolina Conference Missionary in some foreign field, and that the Conference endeavor, through the Sunday-schools and otherwise than by public collections, to raise $1,500 the ensuing year (over and above the assessment of the Board of Missions at Nashville), preparatory to sending said missionary, and ever after to support such missionary."

Koger, now in Brazil, our foreign missionary, and that the amount collected during the past year for the above object be placed to our credit in the Missionary Treasury of the Methodist Episcopal Church, South, at Nashville, for the support of said missionary.

MEMOIR.

DUNCAN J. McMILLAN.

BY HENRY M. MOOD.

The Rev. Duncan J. McMillan died Oct. 6, 1881. Born of Scotch-Presbyterian parents, he was in infancy dedicated to God by baptism in that Church. During early manhood, however, he became attached to Methodism.

His educational advantages having been limited in his boyhood, when he attained to manhood he, together with three others about his own age, employed a competent teacher at their own expense, under whom they studied the higher English branches and Latin.

At twenty-seven years of age he was converted to God, and immediately united with the Methodist Church. The following May he was licensed to exhort, and eighteen months after was licensed to preach. He was admitted on trial in the South Carolina Conference in 1861, and maintained his connection with it for twenty years. He was one year on a mission among the colored people, fourteen years on circuits, and four years on stations. He was one year in the superannuated relation.

Brother McMillan had great decision of character. His opinions were deliberately formed, and he resolutely adhered to them. Always cheerful, and possessing a fine voice in speech and in song, he shed gladness wherever he moved. Naturally enough, he had many friends and admirers, impressing all with whom he was associated as a man of God. As a preacher, he was dignified, earnest, clear, and impressive.

A few years ago it became apparent that he was the victim of that insidious disease, consumption; yet he labored on energetically and hopefully. But at the Conference in 1880 he was forced to ask for a superannuated relation. It was during this period of confinement and suffering that his piety, as a bruised flower, exhaled its richest fragrance. Several times just prior to his death he had unusual manifestations of the Divine Presence, which cheered and comforted him in his downward progress to the grave. He triumphed over the last enemy, and, with the assurance that all was well, he sweetly fell asleep.

WILLIAMSTON
Female College,

WILLIAMSTON, SOUTH CAROLINA.

IN closing the tenth year of its life and labors, the WILLIAMSTON FEMALE COLLEGE tenders hearty thanks to the generous public for the liberal encouragement it has enjoyed, and looks forward with hope and enthusiasm toward still greater success in the future.

The reader is respectfully invited to examine the following statement of its

LEADING PECULIARITIES:

1. Semi-Annual Sessions open on the first Monday in February and August, and continue twenty weeks each. 1. Each Session is followed by a six-weeks' vacation. Teachers and pupils rest before becoming entirely exhausted. 2. Classes are formed in each Department twice a year. New pupils are better classified, and thorough scholarship more easily secured, than on the Annual Plan.

2. The One-Study Plan.—Each Session is divided into four "Sections" of five weeks each. During the Mathematics Section each Academic pupil recites three times a day in Arithmetic, and once in Spelling; and each Collegiate pupil three times in either Algebra, Geometry, or Trigonometry, once in Arithmetic, and once in Spelling. Another Section is devoted to Natural Science, another to Languages, and the other to Belles-Lettres. After an experience of nine Sessions, we firmly believe that our labors are very much more serviceable to our pupils than under our former system of crowding several difficult studies on their attention at once.

3. Graduation in Private.—Being convinced, after extensive experience, that Public Commencements involve great expense of time, labor, and money, without yielding corresponding advantages, we have discontinued them entirely; and we have been surprised and gratified to find that this innovation meets with very general favor.

4. Graduation Eight Times a Year.—At the end of either "Section" any pupil who may have finished the Regular Course may close her connection with the College by graduation. The advantages of this feature are obvious.

5. A Beautiful Gold Graduation Pin is given instead of a Diploma, if preferred.

6. Tuitional Premiums.—Every regular pupil whose sessional average is eighty per cent., or more, is entitled to a discount of from ten to sixty per cent. from her next Session's regular tuition.

Rates per Session of Twenty Weeks:

Board, exclusive of Washing	$60 00
Incidental Tax	1 00
Regular Tuition, $10, $12 50, $15, to	20 00
Instrumental or Vocal Music (Special Lessons)	20 00
Use of Instrument for Practice, $3 to	5 00

No charge for Latin, Greek, French, German, Calisthenics, or Singing in Classes.
